

Sheriff J. Al Cannon Jr. is pleased to offer an Online Inmate Search application which will help search for inmates currently detained in the Sheriff Al Cannon Detention Center and also provide advanced features of searching by Booking Date or search for records by Inmate Number.

Search screen, that is accessible from <http://inmatesearch.charlestoncounty.org>, is divided into three sections as shown in following picture:

Recommendations for searching Booking Records:

The screenshot shows a web form titled "Search for Bookings". It has a search icon and a help icon in the top right. The form contains the following fields and controls:

- Last Name: [input field]
- First Name: [input field]
- Booking Date From: [input field]
- Booking Date To: [input field]
- OR
- Inmate Number: [input field]
- Show Past Bookings
- Buttons: SEARCH, CLEAR, HOME, FEEDBACK
- Bottom right link: [S.C. Case Records Search](#)

Important Notice section provides latest information and news alert from the Sheriff's Office. **Inmate Population** section provides the real-time head count of all inmates in the Detention Center, grouped by gender. **Search for Bookings** section allows searching the booking records by two ways – either by Inmate Details or by Inmate Number.

Searching by Inmate Details:

Last Name: [input field] (Mandatory, if Booking Date From is not given): Type in the last name of the person you would like to search on. Please note that you need to type in at least 3 characters of the last name, but providing last name as much as possible will result in faster and highly probable results. When last name is given, the search will show persons whose last name starts with that

name. For example, typing *Young* in the last name will search for Young, Youngblood, Younger, Youngfellow, Youngman etc.

First Name:

(Optional field): Type in the first name to narrow the results. You can type a partial first name with two characters minimum or full first name.

Booking Date From:

(Mandatory, if Last Name is not given): Type in the date in MM/DD/YYYY format (two digit month, two digit day and four digit year, e.g., 09/18/2012 for September 18, 2012) for booking search start date. Instead of typing the value, you could select appropriate booking search start date by clicking on the calendar picture next to the field.

Booking Date To:

(Optional field): Type in the date in MM/DD/YYYY format (two digit month, two digit day and four digit year, e.g., 09/18/2012 for September 18, 2012) for booking search to date. Instead of typing the value, you could select appropriate booking search start date by clicking on the calendar picture next to the field. If you provide *Booking Date From*, but omit *Booking Date To*, then system will default it to the current system date.

Searching by Inmate Number:

Inmate Number:

(Mandatory, if Last Name or Booking Date From is not given): Type in the Inmate Number of an inmate for searching details of specific inmate.

Search Results Screen:

NOTE

Keeping Expungement Rules in mind, all the results in this guide will show DOE, JOHN and DOE, JANE as the Inmates with varying Date of Birth and masked Inmate numbers. Please note that live system will show the correct inmate number and the inmate name in the search results page.

Depending on the criteria that you have used, system will display the inmates records that would meet the criteria used. Generally search results will be shown in a table format in the following format:
